

Welcome February, and welcome Ms. Sammy! Ms. Sammy has joined the Busy Bee class this month and we are so excited to have her here. As you drop off and pick up your child please introduce yourselves to her and say hello! This month we are excited to explore our themes of weather, wild animals, science, and music! Along with our curriculum based themes we will also be doing activities that help us explore Valentine's Day and dental health awareness. Both of these themes are celebrated during the month of February. Our class will have a Valentine's Day party on Tuesday February 14. If your child would like to bring cards for his or her friends they are more than welcome to do so. We ask that you please bring one for each of the 24 children in the class, and do not address them. It is ok to say "from" your child. The Busy Bees are looking forward to another great month of exploring and learning.
