

Frolicking Frogs May Newsletter

shutterstock.com · 1928754206

Happy May Frog families! I can't believe that the summer months are officially upon us. As the weather gets nicer, we will be taking advantage of it and going outside more frequently. With that said, if you would like your child to wear sunscreen, please bring in a bottle with your child's first and last name on it so we know exactly whose it is. I have received quite a few bottles already but if you haven't brought any in and would like to please do so the next couple weeks and then just let me or Ms. Marlin know. In regards to nap time, please make sure that your child brings their sleep items in on their first day of attendance and takes them home every week on the last attendance day. I am finding that sleep items aren't being taken home as frequently as they should be. Unless your child is part time, all sleep items should be taken home at the end of the week. Please also make sure you are frequently checking your child's cubby and cleaning it out as we are having problems putting important papers and other necessary items in the cubbies as they are overfilled. Take home any old or out of season clothes as well and bring in at least three extra weather appropriate clothes in case of spills or other accidents. Thank you for your continued patience and support.

Share and Care will be closed on Monday May 29 in observance of Memorial Day.

This month's themes include:

- Baby Animals/Pets: May 1-12
- I'm Growing! : May 15-31

I am still using and posting photos and sending messages through Bright Wheel. If your child will be absent, coming in late, or any other notice that is urgent just message us through Bright Wheel.

Ms. Jessica and Ms. Marlin
