

## Frolicking Frogs Newsletter

April showers bring May flowers!

Hope everyone had a good Easter!

Themes:

1. Puddle Play
2. Sail Away

We will be doing a lot of water play this month, so please make sure your child has extra clothing. We will be introducing the word “weather” and talking about what weather means. We will also be introducing the color “yellow”. We will also be doing some fun science such as "what floats" and testing our matching skills!

### **Birthdays**
