

## Frolicking Frogs January Newsletter

Happy New Year Frog Families. We hope everyone had a nice holiday break and time with family. As we ring in the New Year, we just have a few announcements that we want to make. The first announcement is to please make sure that you are cleaning out your child's cubby. We have been noticing that there are a lot of extra unnecessary items being left in the cubbies. That becomes a problem for us when we need to look for items or place various items in the cubbies. We encourage that out of season clothes, old art projects, etc be taken with you back home to free up space. That way sleep items and various other necessary items can fit properly in the cubbies and the cubbies will be able to be closed all the way. The other announcement we want to make is in regards to clothes. We have been noticing that children have no extra clothes or if they do, they're out of season and not appropriate. Please make sure to have three or four extra weather appropriate clothes in the cubbies for when spills or accidents happen.

Please make sure to label any diapers and wipes that we ask for with your child's name so that there is no confusion as to whose it is. We also ask that each child comes with the necessary sleep items on their first day of the week. Names need to be clearly marked on those items as well. Thanks for your continued patience and cooperation.

This month's themes include:

Ready, Set Go (Ms. Haley will teach it)-January 2-13

Sparkles and Shivers (Ms. Jessica will teach it)-January 16-31

Happy Birthday to Blake who will celebrate on the 25th

As always if you have any questions or concerns, please feel free to ask us in person or message us and we will be happy to help answer any questions the best we can.

**Ms. Jessica and Ms. Haley**
