Happy Summer frog families. Its hard to believe that the summer months have come already. As we transition into the summer, I just want to welcome the new friends that will be joining the Frog classroom. Declan, Hannah, Archer, Ezra, Jordan and Charlotte I am so happy that you all are joining our class and I can't wait to teach you and watch you all grow over these next months to come.

Since summer has arrived, I just want to take this time to remind everyone that if you would like your child to have sunscreen, please feel free to bring some in and please make sure that your child's first and last names are clearly labeled on the bottles so that me and Ms. Haley know whose sunscreen is whose. I also want to make a point to say please make sure that your child's cubbies have weather appropriate extra clothes. I know that I have made this announcement over the last several months but I'm still noticing that the children's cubbies have out of season clothes in them, clothes that don't fit them anymore or none at all. Share and Care does have extra clothes but I still prefer that all the children have their own extra clothes because that way its easier to get them in a hurry and we can ensure that they are the proper sizes for the children. I suggest three or even four sets of weather appropriate extra clothes that way we can make sure that the children will be in clean clothes that fit if they ever need a change.

Share and Care is closed on Memorial Day Monday May 30. Enjoy the extra-long weekend!

We have some birthdays in the month of May:

Graham-May 10
Bennett- May 13
Donovan- May 25

The themes for May and June include:

- Pet Friends: May 2-May 13
- Gardening and Growing: May 16-May 31
- Dairy Days: June 1-June 10
- Pond Life: June 13-June 30

Ms. Jessica and Ms. Hale
