

Lovebugs

Summer 2024

Dear Families:

You may have noticed some “new” babies. Our infant room is very popular and as of this writing we are full until April 2025. Thank you for your continued support of our child care center.

Each time your child receives immunizations (2 mths., 6 mths, 12 mths & 15 mths.) the office requires a copy for the file. This is a DCFS requirement.

It is important to fill out your child’s daily sheet and sign them in/out. Please check your child’s cubbie for soiled clothes and bibs. Also, it does affect our staffing if your child is not in attendance. We would appreciate it if you would send a brightwheel notice or call the office if your child will be absent. Your cooperation in this matter would be greatly appreciated.

We do our best to send daily pictures and updates through brightwheel. Our days are pretty busy so bare wit us if we get behind.

Please send sunscreen for your 6-month-old or older and hats for any walks we may take throughout the summer.
