
JULY 2022 SHARE AND CARE LEARNING CENTER

Field Trips

Each classroom will send home newsletters along with calendars for scheduled field trips. The class may decide at the last minute to walk to the local parks. Your child needs comfortable footwear (NO FLIP FLOPS). If your child does wear sandals, they need to have a strap around the back to avoid flying off on swings, walking or running. Your cooperation would be greatly appreciated. While paying for field trips please send in an envelope with your child's labeled on the front. DO NOT include your field trip money in tuition. Checks can be made out to Share and Care.

Share and Care

Share and Care will be closed July 4th-8th, no tuition is due for this week. In order to avoid confusion please pay tuition that is due on July 15th on July 1st.

Sunscreen

Each child should have sunscreen labeled with their name. It will be kept in their cubbies. There is a sunscreen form that should be filled out. A water bottle should also be supplied for each child.

Naproom

Each child that naps needs to bring a clean blanket on Mondays/first day of attendance. If your child does not come with one, we will provide a blanket and a \$2 cleaning fee will be applied.
