

Winter Season

Each time your child receives immunizations the office will need a copy for your child's file. This a requirement of DCFS.

If you child has any symptoms such as a fever, diarrhea, pink eye, etc. they cannot return to the child care center for 24 hours. We would appreciate it if you would notify the office if it is something contagious. You and your child must wash hands before entering the center. This is a DCFS requirement. Thank you for your cooperation.

Please update the sizes and season of your child's clothes. Also if you can make sure your child has a coat and hat in case we take a walk.

Our holiday schedule is:

CLOSED
