

Furry Friend Families

Spring is here! We are ready to bring in the month of April together and looking forward to a fun, busy month. The two values we are focusing on for this month are wisdom and confidence.

Announcements

Everyone should have received a “Save the Date” for graduation. It will be on Friday, May 17th at 3:00pm.

Our Pre-K Kindergarten Agreements will be beginning this month with our friends, a copy of which will be in your child’s cubby every Friday. The children will be assessing themselves for the entire week.

Classroom

Ms. Janice is working on planning some fun stuff for our studies this month. This month’s creative curriculum studies will include gardening and animals. She is planning a lot of outside time for us this month, when weather permits, so please dress children accordingly.

Ms. Haley has been working with our friends on the importance of rules and how we can follow them. She is also working closely on our values with the children, involving stories or games.

Ms. Ruth is continuing to work on phonetics with our friends. The new letters she is introducing this month are o, u, l, f, b, ai. She is also working on some songs with our friends for graduation. We cannot wait for you to hear them!

Birthdays

Jaxon turns 5 on April 7th and Verdell turns 5 on April 28th!

If you have any questions or concerns about anything, please feel free to talk to one of us at drop off or pickup, or send us a message on Bright Wheel. Thank you!

Janice, Haley, Ruth
