

Happy May!!

With the warmer weather approaching please make sure that your child has weather appropriate clothing on, we will be going outside as much as possible.

If your child is potty training, please make sure to bring extra clothing for your child in case of an accident.

Please make sure to label all of your child's items. At nap time they use one sleep animal on their cot for the week. Check your child's cubby everyday please. The teachers will put artwork, or other things we have made in the classroom along with their sleep stuff for the day that they go home for the week. Some of the children have their things placed on their coat hooks so please check there as well.

I try to send out pictures to brightwheel everyday on what your child is doing in the classroom. We have switched the curriculum that your child is using in the classroom back to "Learn Everyday" which has loads of things for them to learn.

Thank you

Ms. Haley and Ms. Diana
